

1. K-LOVE serves me and my family as positive, non-commercial contemporary Christian radio station. It's music and messages are encouraging and uplifting.
2. If K-LOVE were displaced by an LPFM broadcaster it would be detrimental to my family and community. Many members of my congregation and my children's school listen to K-LOVE. We do not have any other alternatives for this type of broadcasting in our area that I am aware of.
3. The service provided by K-LOVE is in the public interest ... I personally know of many acquaintances who have had their lives positively influenced by the music and messages of K-LOVE. It is helping people grow in their faith and bringing non-believers to the Lord.
